PROFILE

Background

A database comprising of holiday makers who have not only shared with us information about their holiday but lots of other lifestyle type information too. This file provides the ideal opportunity to target individuals that have taken or are considering their next break, whether it be a weekend away or a long haul trip abroad. The file can be tailored to several selection criteria ensuring that your key target audience is reached without wastage. All information is updated quarterly to maximise the results of your direct marketing campaign.

Holiday Type Index v National Average(100)

- Europe & Mediterranean 255
- Short Breaks 219
- Self Catering 165
- N.America/Caribbean 147
- UK Holidays 128

Profile

ABC1 male and female homeowners. Many of these individuals have taken expensive trips abroad for either pleasure or business and earn in excess of 40K.

Traveller Analysis

Using detailed profiling and analysis techniques we are able to establish high lifestyle scores in:

- Gardening
- Sports
- Cooking
- Technology
- Wine
- Books
- Eating out
- Shopping

A file that because of its versatility and select-ability is likely to be popular with all sectors of the travel industry including tour operators, cruise lines, travel insurance companies and tourist boards.
