

Total Names: 2,900,000
0-12 months: 2,900,000
1 Million Email Addresses

Background

A comprehensive database of UK businesses with great selectability including number of employees, turnover and industry sector. The data comes from a number of transactional sources and is brought together in one database and overlaid with SIC codes thus ensuring high quality and robust contacts. There are also high levels of telephone numbers and email addresses available

Key Characteristics

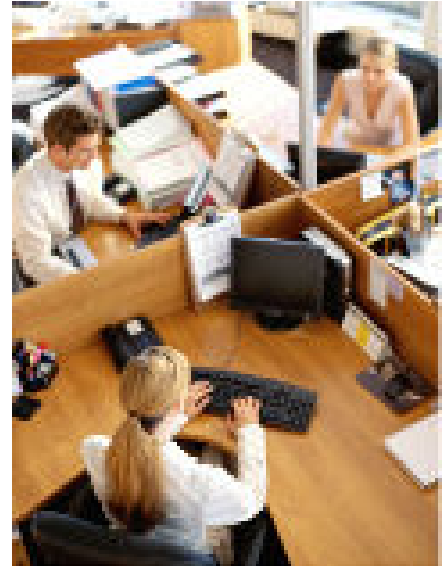

- File continually updated
- Fully Post-coded
- 0-12 months recent

Profile

The file contains businesses that are well established with over 20 employees ranging up to 1000+ employees. The file is growing at a rate of 20,000 new records per month.
